## 10th Annual Rutland Ranch Production Sale Oct. 9th

Advertised as the sale "where you can buy as good as the best for less," this year's sale promises to be one of the best yet. The home of Pacific Bailey, AAAT, AQHA Champion; Bar Money, AQHA Supreme Champion; Jet Stop, unraced son of Jet Deck; and Carrara Marble, TB (31 years old and still breeding strong), will offer its entire 1976 colt crop of 153 head. The event will be held at the Rutland Ranch in Independence, Kansas. For those of you who have never been there, it is worth the trip just to see the "barn." The ultra-modern "mare-motel" consists of 148 16 x 16 concrete stalls in a huge clear-span building. All of the colts are in stalls at sale time and you will feel like the proverbial kid in the candy store — each colt you see is better than the last. Plan on arriving early and wear your "walking shoes." Auctioneer Dean Parker will begin the sale at 12:00 noon and the bidding should be fast and furious. This year's offerings will include full brothers and sisters to AAAT Stakes Winners, AAA AQHA Champions and Producers of AAT Stakes Winners, including a full brother to the 1974 Champion Running Gelding, Pacific Dan (SI 104 — he sold in the 1971 sale for \$650), a full sister to Cotton Pac (SI 104), a full sister to Bobby Bar Bailey (Stakes Winner and

Guy Ray Rutland

Producer of 3 AAA's including Cotton Pac), full sister to Bailey's Leo (SI 103), a full brother to Byleo Bailey (SI 104) and several full brothers and sisters to top halter and performance horses and AQHA Champions. Rutland Ranch has been the Leading Breeder of Race ROM Qualifiers from 1945 through 1975, the Leading Breeder of Race Winners — Most Wins for 1967 and 1970 through 1975 and a Leading Breeder of Show ROM's, AQHA Champions, Halter and Performance Winners. So, no matter if you're race or show, plan to attend this sale. As Guy Ray Rutland says, "The past records of our horses speak for the future of these foals."
